Application Checklist

- Attach copies of dated invoices with equipment make and model specifications.
- Complete all questions, read terms/conditions, sign form & keep a copy.
- Include a recent electric bill.
- Mail completed, signed application & all documentation to:

Unitil Electric Heating, Cooling & Water Htg Rebate Program (C/O EFI)
 P.O Box 2528
 Manchester, CT 06045
 (1-877-883-1758)

TERMS AND CONDITIONS

Application Offer: This program covers products purchased and installed on or after January 1, 2018. Details of this program, including incentive levels, are subject to change or cancellation without notice. Applications with required documentation must be postmarked within 30 days of installation. Funding for this program is provided by the NHSaves Energy Efficiency Programs. **Funding is limited and will be available on a first come, first serve basis** for complete applications until December 31, 2018 or until all funds have been expended, whichever occurs first. All equipment must be ENERGY STAR approved to be eligible for the rebate. Visit www.nhsaves.com/heatingcooling for details and current funding availability.

Eligibility: Incentives are available to all participating New Hampshire Electric Utility residential customers purchasing new heating, cooling or water heating equipment for a new or existing residence. Businesses, non-profit and governmental organizations are not eligible. The program recommends installation to be completed by a licensed contractor. All products must meet the eligible equipment requirements. Participants who receive equipment incentives through another energy efficiency program offered by your Electric Utility are not eligible to receive incentives through this program for the same equipment.

Proof of Purchase: An invoice itemizing the purchased equipment and a copy of a recent electric utility bill must accompany each incentive application. The contractor's invoice copy must indicate the address where the equipment was installed, equipment type, make and model numbers and date of installation.

Application: This application must be filled out completely, truthfully and accurately. The Customer must sign the application. Submitted applications must be accompanied by the invoice and a copy of a recent electric utility bill.

Payment: Please allow up to 45 days for payment. Payment processing may take longer if information is missing on the application or if the equipment invoice or electric utility bill is not included.

Approval, Verification, and Inspection: This program is being administered by your Electric Utility and Energy Federation Incorporated jointly known as the "Rebate Providers". The Rebate Providers reserve the right to verify sales transactions and to have reasonable access to your residence to inspect the system installed under this Program. Customer's contractor will verify that the installed energy-saving measures meet all applicable building codes; zoning laws, local, state, and federal requirements; and other relevant requirements. Contractor is responsible for any applicable permits as required by aforementioned code/law. Applicants agree to retain all records associated with this application for at least 3 years after the purchase date.

Endorsement: Rebate Providers do not endorse any particular manufacturer, contractor, vendor, product, retailer, system design or claim in promoting this program.

Limitation of Liability: Rebate Providers are limited to paying the rebate incentive specified; Rebate Providers are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this program.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed on the other side of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

Warranties: REBATE PROVIDERS DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY, REBATE PROVIDERS make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for particular purpose regarding equipment or services provided by a manufacturer, contractor or vendor. Contact your Contractor for details regarding equipment performance and warranties.

ELIGIBLE EQUIPMENT & INCENTIVES – LIMITED FUNDING VISIT www.NHSaves.com/heatingcooling FOR DETAILS

Only ENERGY STAR® certified central air conditioners, heat pumps and heat pump water heaters meeting the minimum efficiency ratings outlined in the incentives table below will be eligible for a rebate.

List of qualified Cold Climate Air Source and Ductless Mini Split Heat Pump products can be found at:

www.NHSaves.com/heatingcooling

ENERGY STAR® certified products can be found at the Consortium for Energy Efficiency (CEE) www.ceedirectory.org. SEER, EER, HSPF efficiency ratings can be found at either CEE or the AHRI directory www.ahridirectory.org AHRI also provides AHRI reference numbers.

HEATING/COOLING	REBATE AMOUNT	SEER	EER	HSPF	WATER HEATING	REBATE AMOUNT	ELECTRIC EF
Central Air, Ductless Mini Split (Cooling only, 5 ton limit per home)	\$70/ton**	≥ 15	≥ 12.5		Heat Pump Water Heater	50 Gal: \$500	≥ 2.3
						80 Gal: \$600	≥ 2.3
Cold Climate Central Air Source or Ductless Mini Split Heat Pumps (Heating & Cooling, 5 ton limit per home)	\$400/ton**	≥ 18	≥ 12.5	≥ 10	HEATING CONTROLS	REBATE AMOUNT	
					WI-FI Thermostat*	\$100	Only available for heat pumps also receiving a rebate.

*WI-FI connections must be internet enabled. Rebate not to exceed purchase price. Limit one (1) thermostat per Heat Pump zone installed per account.

**Rebate based on tonnage calculated by dividing rated Cooling Btu's by 12,000
(Example: 40,000 Btu's cooling/12,000=3.33 tons. 3.33 tons x \$/ton=rebate)

Qualifying equipment must be installed between January 1, 2018 – December 31, 2018 and while funds are available to be eligible for a rebate.

Owner/Contractor may be required to provide documentation that equipment meets program guidelines to qualify for rebate. Owner should verify with contractor that electrical service will meet the load requirements of the new equipment.
