

To Our Customers:

The following summary provides the information you need to calculate your electric bill. Residential customers may be eligible to receive discounts under the New Hampshire Electric Assistance Program.

If you have any questions about our rates, please contact our Customer Service Center by calling, toll-free, in the Capital area (800) 852-3339, or in the Seacoast area (800) 582-7276.

Complete copies of the rates schedules, including all terms and conditions are available upon request. Questions may also be addressed to the Consumer Services Division at the New Hampshire Department of Energy at (603) 271-3670 or 1 (800) 852-3793.

Typical Rate Change Dates:

Dates are subject to change with approval from the NHPUC

Delivery Charge.....	May 1 and August 1
System Benefits Charge.....	January 1
Stranded Cost Charge.....	August 1
Fixed Energy Service Charge.....	February 1 and August 1
Variable Energy Service Charge	Monthly

In addition to the Typical Rate Change Dates, customers choosing to take service under Schedule TOU-D, TOU-EV-D, TOU-EV-G2, and TOU-EV-G1 will also see changes to their Delivery Charge on June 1 and December 1 each year.

Delivery Services:

Customer Charge: A monthly fixed charge that recovers the costs of metering, meter reading and preparing and mailing your bill. The Customer Charge does not change when your electric use increases or decreases.

Delivery Charge: Covers the costs of delivering electricity to you, including transmission costs and costs of providing and maintaining an electric system (poles, wires, transformers and substations) which is capable of serving your needs.

Stranded Cost Charge: Covers the costs associated with purchased power contract obligations that existed prior to restructuring.

Taxes & Surcharges:

System Benefits Charge: Covers the costs associated with the statewide low-income electric assistance program and energy efficiency programs provided by the Company.

Supplier Services:

Energy Service Charge: Covers the cost of power supplied to you by Unitil. This service is available to all customers who are not receiving energy supply service from a Competitive Supplier.

Terms of Payment:

The charges for service under these rates are net, billed monthly and due 25 days following the date postmarked on the bill. For classification D, amounts not paid prior to the due date shall be subject to a late payment charge of one percent (1%) per month on the unpaid balance. For customers who qualify for certain low-income assistance programs, this fee will be waived. For classification G, amounts not paid prior to the due date shall be subject to a late payment charge of one and one-half percent (1.5%) per month on the unpaid balance.
