## OR MAIL ALL REQUIRED DOCUMENTS TO:

EFI, NH ENERGY STAR Dehumidifier  
40 Washington St., Suite 2000  
Westborough, MA 01581

## DEHUMIDIFIER BEST PRACTICES

The average ENERGY STAR certified dehumidifier can save consumers about \$175 over the life of the unit, while avoiding 2,800 lb of greenhouse gas emissions.

ENERGY STAR certified models have more efficient refrigeration coils, compressors and fans than conventional models, which means they use less energy to remove moisture.

An ENERGY STAR certified dehumidifier removes the same amount of moisture as a similar-sized conventional unit, but uses 15 percent less energy.

Congratulations on your decision to buy an ENERGY STAR certified dehumidifier. Please fill out completely. All information below is required.
