

Fitchburg Gas and Electric Light Company d/b/a Unitil

April 11, 2018

To all Unitil Natural Gas Marketers:

The Massachusetts Department of Public Utilities (the "Department") requires that Local Distribution Companies ("LDCs"), such as Unitil, precede any decision to renew expiring capacity contracts with discussions with marketers in order to assure that the LDCs' decisions will take into account customer migration to transportation service, system growth and the trend of marketer participation in the LDCs' markets. In order to comply with this requirement, Unitil is soliciting your input regarding the extension of the following contracts.¹
