

Program guidelines

- Must purchase and install a new programmable or **ENERGY STAR**® certified smart thermostat. Refurbished units are not eligible for rebate. Wireless connection must be enabled for smart thermostats.
- Valid purchases and installations must be made between January 1, 2020 through December 31, 2020.
- Maximum rebate cannot exceed purchase price (excluding any taxes).
- Must be a residential natural gas heating or electric customer of a participating Mass Save® utility company or energy efficiency service provider.
- Rebate form must be received by Mass Save within 60 days from the purchase date.
- Rebate is paid in the form of a Mass Save prepaid Visa® card or check if the amount is over \$100.
- Please allow 6-8 weeks from receipt of submission for your rebate to be mailed.
- To receive your Mass Save prepaid Visa® card faster, submit your rebate application online by visiting MassSave.com/Savings
- Some restrictions may apply. Rebate offers are subject to change without notice. By submitting the rebate application, the customer agrees to abide by these Terms and Conditions.
- Participants who receive incentives through another energy efficiency program offered by the participating utilities are not eligible to receive incentives directly through this program for the same equipment.

Reminder

- Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal visit www.epa.gov/mercury
