We're excited to announce an upgrade to the MyUnitil website!

In addition to viewing and paying bills, you can now personalize Unitil communications. Choose the method that works best for you by selecting between mail, SMS/text messaging, voice calls or email. **You can also view a detailed snapshot of your energy use,** allowing you to make smarter decisions about your consumption.

HOW TO LOG IN:

Visit <https://myaccount.unitil.com> to get started.

If you already have a MyUnitil account, you can access the new site with your username and password; a confirmation email will be sent to the email address on file. If you're a first time user, sign up using your 10-digit account number.

Read FAQs, watch login tutorials, and learn more about the upgrade at [UNITIL.COM/UPGRADE](https://unitil.com/upgrade).
