SCIENCE, TECHNOLOGY, ENGINEERING AND MATH (STEM) SCHOLARSHIPS ARE AVAILABLE

We are happy to announce that we are again offering scholarships for high school students. Six high school seniors from our service territories in New Hampshire, Maine and Massachusetts who are pursuing degrees in engineering, math, science, or technology will each receive \$5,000 for the first year of undergraduate study.

Unitil Scholarship Fund application packets for the 2019-2020 academic year are available online at www.unitil.com/scholarship or in the guidance department of select high schools throughout our service territories. The deadline to submit your completed application is on or before March 15th and recipients will be notified of selection by mail no later than April 30th.

Apply to:

Unitil
Attn: Kristen Anderson/Scholarship Committee
6 Liberty Lane West
Hampton, NH 03842
or via email at community@unitil.com

The Unitil Scholarship Fund is in addition to the existing Peter J. Stulgis Scholarship Fund (St. Thomas Aquinas High School students, Dover, NH). We are open to unique opportunities to support new educational initiatives as well, and we welcome solicitations.
