

Important Information About The New Hampshire Residential Low-Income Assistance Program

Income eligible, residential heating customers of Unitil may qualify for a lower rate on their natural gas bills. Please read the eligibility requirements and application procedure described on the reverse side of this flyer. If you do not receive Fuel Assistance funds, you must apply to the company in writing to receive the Low-Income Rate.

Who is Eligible?

Residential heating customers that either receive, or are qualified to receive a benefit from one of the following programs:

- Fuel Assistance Program
- Electric Assistance Program (EAP) (even if you're on the waiting list for this program)
- Supplemental Security Income Program (SSI)
- Women, Infants and Children Program
- Elderly Commodity Surplus Foods Program
- Temporary Aid to Needy Families Program
- Housing Choice Voucher Program (Section 8)
- Head Start Program
- Aid to the Permanently and Totally Disabled Program
- Aid to the Needy Blind Program
- Old Age Assistance Program
- Food Stamps Program

How Do You Apply for the Low-Income Assistance Rate?

Fuel Assistance recipients do not need to apply. You will automatically be enrolled in the program when we are notified about your fuel assistance benefit.

If you qualify because you receive a benefit from or are qualified to receive a benefit from one of the programs listed above, send us a letter with your name and account number along with certified documentation of participation in or eligibility for one of the qualifying programs. Send your letter to:

Unitil, 5 McGuire St., Concord, NH 03301
